

SPECIALS

*Silica fiber thermal protection
on metal tube*

*Hot air suction pipe (150°C)
with external anti-spark protection*

*Thermal protection 400°C
on metal pipe*

*Thermal protection
shaped for turbine*

*Thermal protection 400°C
on metal pipe*

*Ventilation pipe supplied with
slots and fastening strap*

*Ventilation pipe supplied with
profile for anti-abrasive protection*

*Insulated pipe for
energy recovery*

*Aviation petrol vapour suction pipe
Ø 203 x 50 metres in a single piece*

*Ventilation pipe Ø 800 x 25 meters
in a single piece*

*Insulated ventilation pipe
Ø 700 x 6 meters in a single piece*

*Thermal protection
for steam battery*

Tubi Flessibili Srl is an artisan company specialized in the production and marketing of industrial flexible hoses for special applications. Thanks to our many years of experience in the sector, we have come into contact with numerous companies looking for individual, unique, customized solutions. These experiences have allowed us to study, design and create multiple *ad hoc* solutions for each individual customer.
